Pauletta –

It looks like you're the RPM on MEW again? I just wanted to touch base with you and see where we're at with the five-year review. Do you have a timeline that you want to see our comments by?

Greg, Dan, Venessa,

I can't remember if I passed this information along before or not, but Pauletta France-Isetts has taken over as RPM for Missouri Electric Works and will be handling the third FYR. Pauletta was the RPM for this site before I got it a few years ago.

Thanks,
